Kavango Resources Plc lists on the Victoria Falls Stock Exchange

The Victoria Falls Stock Exchange is pleased to announce the successful listing of Kavango Resources Plc ("Kavango") by way of introduction, effective 5 September 2025. Trading in Kavango securities will commence on 8 September 2025. Kavango retains its primary listing on the London Stock Exchange ("LSE"), with the VFEX serving as its secondary listing to broaden investor access.

Kavango successfully raised USD4.5 million during the subscription period.

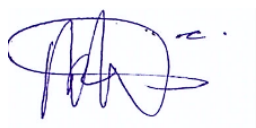

The listing of Kavango on the VFEX offers Zimbabwean investors the flexibility to retain their Kavango Ordinary Shares locally, trade them directly on the VFEX, or transfer them to LSE through the branch register control account.

Investors are advised that shares will not be directly tradeable on the LSE; however, shareholders may initiate an uplift process to transfer their holdings from the VFEX register to the LSE register upon completion of the required procedures.

The Kavango shares will trade under the symbol: **KAV.VX** and ISIN **GB00BF0V MV24**

Investors wishing to invest in the Kavango securities are advised to consult their stockbroker or financial advisor for further guidance. For any enquiries, email operations@vfex.exchange.
